EXPERIENCE

VOLT14 SOLUTIONS

Singapore, SG

Graduate Student Consultant - Quantitative Analyst

February 2024 – present

- Conducted comprehensive market research and analysis within the battery anode/cathode sector, meticulously identifying opportunities and challenges.
- Proactively explored diverse funding avenues and revenue possibilities, playing a pivotal role in bolstering Volt14's pre-commercial production phase and propelling the company's expansion within the sustainable energy market.
- Oversaw the data and quantitative deliverables of the project.

Y STEM and Chess Inc. Non-profit

Boise, ID

Junior Software Engineer and Data Science Intern

October 2023 – November 2023

- Collaborated on research initiatives by various data utilization platforms to contribute valuable insights and findings.
- Advised individuals in learning and using the R programming language.

SOUTHWEST DETROIT IMMIGRANT AND REFUGEE CENTER

Detroit, MI

Researcher and Legal Assistant

July 2022 – July 2023

- Consulted with 100 families and over 500 clients from across the globe as they transitioned to life in the US.
- Engineered a comprehensive data system to organize and manage a client base of 500+ individuals efficiently, enabling a systematic approach to addressing the unique needs of our clients and ensuring effective client support.
- Orchestrated collaborative efforts with 5+ nonprofit partners, aligning resources to address diverse client needs.

LEADERSHIP

GEORGETOWN GRADUATE CONSULTING CLUB (GGCC)

Washington, DC

Vice President of Programming

August 2023 – present

- Spearheaded events and panels on behalf of GGCC with consulting firms.
- Created and disseminated information related to events across the University.
